

# **Do your best**

Turn off your computer,

And turn off your TV.

Go outside today,

Pick up all the litter that you see.

Don't use too much plastic,

Cos it can end up in the sea.

Buy a reusable bottle,

And make sure all your friends see.

That you're doing your very best,

To save the planet that you love.

Don't eat too much meat,

Try something else instead.

Do not leave the tap running,

As you brush your teeth for bed.

Recycle everything you can,

At your home and at your school.

Recycling's not just an obligation,

Recycling's really cool.

You're doing your very best,  
To save the planet that you love.

Do, do, do, do, do your very best.
